

University Academy Student Questionnaire Consent Form

Dear Parents/Guardians:

This form provides information about student questionnaires that will be administered in your child's classroom and school. Please read this form carefully and complete the consent sections by selecting either "I GIVE CONSENT" or "I DO NOT GIVE CONSENT" for each questionnaire below. You may revoke your consent at any time by providing written notice to the school.

Student Name: _____

Grade/Teacher: _____ **School Year:** _____

Leader in Me Questionnaire Program

Program Overview

Our school participates in the Leader in Me program, which focuses on developing leadership principles and character development based on Stephen Covey's 7 Habits. This evidence-based program helps students develop important life skills including goal setting, personal responsibility, and ethical decision-making.

Questionnaire Areas

The Leader in Me Measurable Results questionnaire (MRA) evaluates student progress in:

- **Student Leadership:** Personal development, interpersonal skills, and self-advocacy
- **Goal Achievement:** Student goal-setting abilities and academic self-efficacy
- **School Culture:** Student empowerment, school belonging, and trusting relationships
- **Leadership Skills:** Communication, collaboration, and character development

Questionnaire Details

- Students complete age-appropriate questionnaires about their leadership development
- Questions focus on personal effectiveness, relationship skills, and goal-setting abilities
- Questionnaire is conducted online and typically takes 15-20 minutes
- Results help teachers support individual student growth and school improvement
- All responses are used for educational purposes and program evaluation

Bullying Survey

Our school conducts an anonymous bullying survey to assess school climate and identify areas where bullying prevention strategies may be needed. This survey helps us create a safer, more supportive learning environment for all students.

Survey Areas

The survey includes questions about:

- Student experiences with bullying behavior (physical, verbal, or online)
- Locations where bullying may occur on campus
- Student feelings of safety at school
- Bystander responses to bullying situations

Survey Details

- Survey is completely anonymous
- Takes approximately 10-15 minutes to complete
- Results are used solely for school climate improvement and bullying prevention programming

Required Parental Consent

In accordance with Texas law, we have included the questionnaires for you to review all content of the questionnaires in advance.

Your Rights as a Parent

- You may withdraw consent at any time by notifying the school in writing
- You may request information about specific questionnaires being administered

Consent:

Leader in Me Questionnaire
